ORDER

On March 14, 2006, Magistrate Judge Susan K. Lee filed a report and recommendation recommending (a) the Court accept Defendant Ronald McClure's ("Defendant") plea of guilty to Count One of the Bill of Information; (b) the Court adjudicate Defendant guilty of the charges set forth in Count One of the Information; (c) the Court order a presentence psychological (psychosexual) evaluation for Defendant; (d) the written plea agreement be accepted at the time of sentencing; and (e) Defendant remain in custody until sentencing in this matter (Court File No. 33). Neither party filed an objection within the given ten days. After reviewing the record, the Court accepts the magistrate judge's report and recommendation with one exception. Although the Court very well may accept the written plea agreement, the Court cannot make that decision at this point. Instead, the Court will defer a decision on whether it will accept the written plea agreement until the day of sentencing.

Accordingly, the Court **ACCEPTS** and **ADOPTS IN PART** the magistrate judge's report and recommendation (Court File No. 33) pursuant to 28 U.S.C. § 636(b)(1) and **ORDERS** as follows:

(1) Defendant's plea of guilty to Count One of the Bill of Information is **ACCEPTED**;

(2) Defendant is hereby **ADJUDGED** guilty of the charge set forth in Count One of the Bill of Information ;

(3) Defendant **SHALL REMAIN** in custody until sentencing in this matter; and

(4) Defendant **SHALL RECEIVE** a presentence psychological (psychosexual) evaluation.

The Court **DECLINES TO ACCEPT IN PART** the magistrate judge's report and recommendation (Court File No. 33) pursuant to 28 U.S.C. § 636(b)(1) with respect to the magistrate judge's recommendation the written plea agreement will be accepted at the time of sentencing. The Court **DEFERS** its decision to accept or reject the written plea agreement until sentencing.

SO ORDERED.
